

UW Bothell Application

Electrical Engineering

Personal Statement Prompt

Your Personal Statement should be no longer than 650 words and answer both questions below.

1. Why are you interested in Electrical Engineering and specifically in UW Bothell's program? How did your passion for Electrical Engineering form and what talents/skills will you bring to our community? In reviewing the Electrical Engineering program website (www.uwb.edu/ee), what research areas are you most interested in?
2. What relevant life experiences have you had (ex: employment, internships, in-class projects, military service, volunteer work, campus activities, etc.) that will guide you in your anticipated career as an Electrical Engineer? If you have experience with hardware development, please describe here.
