Construction Activities (06.05 – 06.09):

We are excited to be just a couple of weeks away from our certificate of occupancy for Phase I of this project. At Building A (Summit Hall), common spaces are nearing completion. We have elevators passing their last inspections in Buildings A and D. At Building D (Terrace Dining Pavilion), food service installation is well underway with the walk-in coolers being built and hooked up. MEPF is nearly finished commissioning all areas. Sidewalks, curbs/gutters, and plants are also getting finished up this week.

Upcoming Shutdowns & Road Disruptions: None at this time.
