HOW TO FIND YOUR PATH IN EDUCATION & SOCIETY

1. Think about the **classes** you enjoyed most in high school, or that you look forward to most at UW Bothell.
2. Be realistic about the time needed to develop **skills** and pursue **experiences** important for academic and professional success.
3. Make plans to **connect** with success team members who can help shape your path in **Education & Society**.

PRE-MAJOR ADVISING

Help you make sense of your academic strategies and academic progress towards a UWB degree.

Meet with Pre- Major Advisor for:

- Registration
- Academic Planning
- Academic Difficulty
- Change Intended Major

A Pre-Major Advisor's Role:

- Your First University Support Person
- Your Guide to Academic Success
- Make Referrals to Campus Resources
- Engage in Reflective Conversations on Academic Trajectory at UWB

Tips for creating a Student and Academic Advisor relationship

- Be curious about your academic journey
- Ask Questions! If your interests change inform your advisor
- Be prepared to make decisions with the options given
- Do your research! Explore your interests, majors & career options
- Make advising appointments at least quarterly - We want to see you!
